Good afternoon,

Please forgive my delayed response. I'm still playing catch-up from being out of the office.

I do not believe we have issued a formal advisory opinion on this matter. I can check again when folks return from the Standards Board meeting.

Since you brought it up, the Indiana letter has come to my attention several times, but I can't locate it in our official files. Do you happen to have a copy you can provide?

Thanks,
Monica

Subject: Advisory Opinions

Hi Monica,

The EAC sent a letter to Indiana in 2005 regarding a variety of topics, including voter education. I was searching the EAC website, and I could not find the advisory opinion. Was there one drafted?

Thanks,

Dan
